

Personalised to Year 7

27<sup>th</sup> April 2010

Dear Parents

I am writing to explain the changes in NAME's Modern Language provision next year. In Year 8, all girls continue studying French, and additionally they will have the opportunity to study a second foreign language, German or Spanish. Girls will then study both languages (French and second language) for two years.

In order that we may establish teaching groups for next year we would like your daughter to choose which second foreign language she would like to study. If she has no preference please indicate this in the appropriate box. I would be very grateful if you would return the completed slip as soon as possible and certainly no later than **Tuesday 4<sup>th</sup> May**.

Yours sincerely

C Y Whalley  
Head of Modern Languages
