

MTS Music & Drama 100 Club

To all Parents and Friends,

You are most warmly invited to join the 100 Club to help raise funds to support the music and drama activities at MTS. The Club launched in September 2005 and holds draws in the Autumn Term, Spring Term and the Summer Term, and each time three lucky winners receive a prize of £50, £35 or £15 with an additional bonus in the Summer of £100.

The MTS Music & Drama 100 Club is a society lottery which raises funds to support activities and to fund equipment essential to the successful and enjoyable performance of music and drama in the boys senior and junior schools. It's a simple and inexpensive way to show support for the boys and your appreciation of the tremendously high standards to which they perform in the arts.

The annual membership is just £16 a year, starting in September, however if you want to join up now and be eligible for the Summer Draw, including the special bonus draw, you can do that for just £8.

To join, please complete the appropriate form. If you wish to join the current year, please provide your payment, since the standing order date for this year is now past.

If you simply want to join from next September, please complete the form and the standing order mandate and return via the Music Department at MTS.

Thank you for your support and best of luck to all members.
