

Scheme of Work – Year 9 Latin

In Year 9 half the year group continues with Latin, completing Book I and studying Book II of the Cambridge Latin Course. Once again pupils are timetabled in the computer room so that use may be made of the resources available for Book I using the CSCP E-Learning Resource and those for Book II on the Cambridge School Classics Project website.

Teaching strategies are outlined in the Teachers' handbooks for the Cambridge Latin Course and resources are also available for teachers on the Cambridge School Classics Project website at cambridgescp.com.
