

December 2010

Dear Parents,

We are very pleased to inform you that your daughter will have the opportunity to purchase the new MTGS Hockey and Netball Team Kit. Please find attached the Kit Order Forms which detail the items available to purchase.

The kit was designed for the 2009 Sports Tour to Australia and Fiji, with superb feedback from players and staff on the overall design along with the comfort, fit and quality of the fabric.

There is a full range of high performance kit available that will not only modernise our current team kit to make our teams look and feel good, but which will also keep your daughter comfortable in a range of weather conditions.

The only compulsory items which team players are asked to purchase to wear when representing the school are detailed below. All other items listed are available to add to the compulsory shirt, skirt and socks for each sport if you wish to do so.

**Compulsory Items for Hockey :**  
Navy Hockey Team Shirt  
Navy Hockey / Netball Team Skirt  
Navy Hockey / Netball Long Sleeved Base Layer  
Navy Team Hockey Socks  
Sky Team Hockey Socks

**Compulsory Items for Netball :**  
Navy Netball Team Shirt (with velcro patches)  
Navy Netball / Hockey Skirt  
Navy Netball / Hockey Long Sleeved Base Layer  
Navy Team Netball Socks  
Sky Team Netball Socks

If your daughter plays both hockey and netball for school she will only need **one base layer and one skirt** as each of these items can be used in both sports.

Most items of team kit will be embroidered with the school badge and the team shirts will have your daughter's surname on the back with the hockey shirts also being numbered on the back. The outer cyclone jacket will not have the school logo on it as many girls who attended the tour have enjoyed using this jacket outside of school activities too, but most other items will have some form of logo or school badge.

The orders will take 10-12 weeks to process and I would therefore ask if you could return the order forms with cheques payable to 'F.R. Monkhouse Ltd' by Friday 10<sup>th</sup> December at the latest.

Please ask your daughter to seek advice from me on sizing if she is unsure of the correct fit for her.

I hope that she will enjoy her new kit and get many years of wear from it!  
Yours sincerely,

Erica Jones  
Head of Physical Education
