### GCSE Module Re-sit Fees

There is the opportunity to re-sit Engineering, Geography, History and Classical Civilisation GCSE modules in June 2012 in addition to the other modules that your son will be sitting. It is essential that your son discusses his individual situation with his teacher(s) because of the extra work he would be undertaking.

A fee is payable for any module that your son re-sits. This fee is £14.05 for Engineering, £9.40 for Geography and History and £7.00 for Classical Civilisation if received before 8th February. The examination board charges penalty fees after this date.

Please tick the appropriate box(es) below and return to the Exams Office with the correct payment. Cheques should be made payable to MTBS.
