World Book Day

What fun! Even before the children arrived, there was great hilarity and laughter heard from all corners of the school. In assembly, Maisie McCaughrean, Zahra Almansoor, Ellie Nagy and Eve Gokcen read the children's Starry Night Stories, created using the same principles as in the game 'consequences', starting in Reception and finishing in Year 6. They are super; stories

and the girls and the stories are on the website for you to enjoy under World Book Day.

New Library Opens

Julia from 'Talking Books' led two assemblies, introducing the children to different titles and then officially opened our new library. The children will soon have their own library card and the opportunity to select their first books!

Hoads of children visited our **BOOK FAIR** this week. The school stands to gain through the generous commission offered by 'Travelling Books'. We'll let you know how much in next week's bulletin!

Mrs Gaskell and The BIG Zip!!

On Sunday 21st March Mrs Gaskell will be zip wiring 250 feet high from the top of the Royal Liverpool Hospital building, 1000 feet across into the grounds of nearby buildings. The event is to raise money for the Linda McCartney centre and St Paul's eye hospital. Any sponsorship donations would be much appreciated and can be made on-line by visiting www.workwithus.org under the headings of Linda McCartney centre, then Linda Gaskell or by calling in to see Mrs Gaskell in school.

Years 4 and 5 enjoyed trips to the **Catalyst Museum and Quarry Bank Mill** last week, whilst Year 1 parents were invited back to school for the **Year 1 Numeracy Workshop**. Mums and Dads – you were great!
