Let's dance

Procter dance academy offers a range of classes for all age groups, at all levels, including ballet, modern, Irish dancing, tap, singing and drama classes.

Under expert tuition of fully qualified dance teachers, pupils are encouraged at the right pace - no pressure! Once required standards are reached, pupils are offered the choice to take examinations recognised nationally by governing dance bodies & the Government. Pupils also have the opportunity to perform in biannual shows, competitions and other local events.

The academy also uses some of the best facilities available and has a fully functional dance studio, a fully staffed reception area & single-sex changing facilities.

The academy takes it's role of temporary guardians very seriously, ensuring that all pupils are taught correctly for both their physical development & maturity.

Dance is a wonderful activity, great exercise, helps with posture and co-ordination. It also introduces and develops the experience of socialising.
