

18th May 2010

Personalised to all Year 10 Parents

Dear Parents

Oasis Career Questionnaires

Your daughter will shortly be completing an Oasis Questionnaire that will help to formulate some ideas about her future career. It can also reveal a range of well-matched careers not yet considered. I have included a brochure for parents about the Oasis Programme.

The Oasis questionnaire will be completed before the end of term. When the questionnaires have been analysed your daughter will also receive the following information:

- A 25 page bound workbook - the 'Report,' suggesting possible career ideas.
- Careers Analysis Forms for further personal research
- A copy of The Careers Directory
- A personal one-to-one handover interview with a Careers Advisor

In addition to this a Careers Fair will also be held on the **5th October 2010** at Merchant Taylors' Boys' School. Further details will be sent about this event nearer the time. This will also help your daughter consider her career ideas for the future.

I look forward to meeting you at future school events.

Yours sincerely

Miss S Burke
Head of Careers
