

28th May 2010

Personalised to Year 10

Dear Parents,

An exciting opportunity has arisen for our Year 10 students.

This week we were approached by Liverpool John Moores University with a view to an exchange visit by a French girl who attends a prestigious school in Paris. She wishes to come and stay here in Liverpool, with the aim of improving her spoken and aural fluency, during the last 2 weeks of term.

We would therefore be looking for one family who would be willing to host the French student offering accommodation, meals etc. There will be funding for this of £300 for the host family, in order to cover food bills and any other costs which would be incurred (eg trips / visits).

We will receive e- mails detailing information about the girl's likes, interests and family situations in due course.

Initially we would like to establish whether there is any interest in this project in order to take it to the next stage. We will of course meet with the host family along with the organisers here at school in order to sort out any paperwork involved.

Liverpool John Moores University offered us this opportunity realising it is at short notice and that it might be difficult to find a host family at this late stage.

If you feel that you would be able to take part in this project, please complete the slip below and return it to school by **Monday 7th June**, replies should be marked for the attention of either Mrs Whalley or Mrs Bush. If we receive multiple volunteers then we will simply select a name 'from a hat'.

Yours sincerely

C Y Whalley
Head of Modern Languages
