Radio Merseyside Charitable Trust
Charity Concert Broadcast
Anglican Cathedral
Friday December 5th 2008

Dear (name of parent/s)

I am delighted to inform you that as a member of the Senior Chamber, your daughter has been invited to take part in the above concert next month, involving only 3 other schools from the Merseyside area, in the magnificent setting of the Anglican Cathedral.

The Carol Service will include 3 choral items from each school and congregational carols. There will be a rehearsal on Sunday November 30th 4.30-6.30pm at the Cathedral followed by the recording on Friday December 5th 7.30-9.00pm

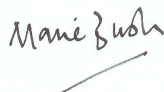

I have been asked to point out that the 9.00pm finish is likely to overrun slightly; given that this is a live recording (to be broadcast at a later date) it might be necessary, for example, to re-do an item if there was excessive noise from an outside source.

You should make your own way to the Cathedral on both occasions.

School uniform will NOT be worn; dress code is white blouse and black skirt/trousers. The organisers are very strict about appearance and they would prefer the girls to be as uniform as possible, preferably not a mix of trousers and skirts or too many different types of blouses. This will need to be clarified after the half term break and we trust that everyone will co-operate so that we can focus our attention on the music and not sundry issues! Obviously, it is paramount that girls attend all rehearsals (except for exceptional reasons) given the hectic pre-Christmas schedule; Prize Giving, Joint Schools' Concert, Radio Broadcast (nb. Merchants Got Talent Show same night as broadcast), School Christmas Concert and the end of term Church Service!

Tickets will be £5.00 available from Radio Merseyside. Please indicate on the tear-off slip below your ticket requirements and return to Mrs Bush no later than Monday November 3rd. After this date no tickets can be guaranteed.

Yours sincerely

Mrs M Bush
Deputy Headmistress
Musical Director of the Senior Chamber Choir
