

17th November 2010

Dear Parent/Guardian

Visit to Lancaster University - Tuesday 14th December 2010

It is important that Year 12 students begin to have a focus on University courses so that they can be more fully prepared when the time comes for them to apply for their chosen course in Year 13. To enable boys to do this, we have arranged for them to attend a Higher Education Day at Lancaster University on Tuesday 14th December. This should prove to be a valuable experience for your son and provide him with a flavour of university life.

Please note that your son should attend school for morning registration as normal and the bus will depart from School promptly at 9.00am. Lunch will not be provided but there are several catering outlets available on the campus. Students will arrive back at School at approximately 4.00pm.

Students who are not going on the trip should attend School as normal. Please only return the reply slip below if your son will not be going on the Lancaster University trip.

Yours sincerely

Miss S Burke
Head of Careers

Return to: S Burke via your son's Form Tutor.

My son will be unable to attend the Lancaster University Higher Education Day. He will attend School as normal.
