

Personalised to Parents of pupils in Y7, Y8, Y9

October 2008

Dear Parents

National Year of Reading week commencing Monday 13th October

As part of our celebrations for the National Year of Reading, the library is hosting a week long book fair.

There will be opportunities for NAME to buy books during this week, and book orders with cheques are also acceptable. Any commission made will be used to buy more materials for the library.

I hope that you agree this is an excellent round-up to a very busy year of reading.

Yours sincerely

AM Barry (Mrs)
Librarian
