

12<sup>th</sup> October 2010

Dear Parents

I would like to take this opportunity to wish you and your daughter a well deserved half term break. We are delighted that the girls have made a smooth transition from their junior school and have adapted to the demands of the senior school with enthusiasm and determination to succeed.

We are sure that all the girls will be very tired and, as a consequence, we are not setting them any homework during the holiday, in order that they can 'recharge their batteries', ready for next half term. Following discussion with the girls, we are aware that some of them have found homework rather onerous on occasions and we urge that you contact us if you feel your daughter would benefit from help in more effective time management.

For information, the team-building session published in the termly calendar and due to take place on Friday 15<sup>th</sup> October, has been postponed until later in the school year.

Yours sincerely

Mrs B Jones  
Head of Lower School
