

12th October 2010

Dear Parents

Joint Year 9 Careers & Information Evening

We have pleasure in inviting you and your daughter to a Careers & Information Evening on **Wednesday 10th November 2010** from 5.30pm – 7.30pm.

The evening will prove useful as it will allow your daughter the chance to visit subject related stalls. This will enable her to consider which transferable skills she could develop if she studied a particular subject to GCSE or Advanced Level.

Mr Turner & Miss Tyndall will briefly introduce the evening and suggest how this can help with Option Choices for Year 9 students later in the year. This will then be followed by talks from Cambridge and Lancaster University. Please refer to attached programme for further information.

This promises to be an informative and enjoyable evening and we do hope that you are able to join us. Please indicate on the reply-slip below if you are able to attend. An evening meal will also be available to students who may want to stay for this event. Please indicate any dietary requirements which may need to be catered for.

Yours sincerely

Susan Burke
Head of Careers
