

Personalised to parents of 2 x Y10 Geog Sets

4 September 2008

Dear Parents

YEAR 10 HYDROLOGY DAY – WEDNESDAY 24th SEPTEMBER 2008

A Field Trip has been arranged for Year 10 girls studying GCSE Geography to visit the Trough of Bowland and Ribchester. The purpose of the excursion is to reinforce the first GCSE topic of Hydrology by contrasting features of upland and lowland rivers and investigating the processes at work. We shall be studying the Marshaw Wyre and Ribble rivers and hope to collect data at the former site if conditions allow. The cost of the excursion is £9.00.

Your daughter will need the following items:-

- Waterproof jacket with hood
- Waterproof trousers
- Wellingtons
- Warm clothing and spare socks
- Clipboard, plastic bag, pens and pencils
- Camera
- Packed lunch and drink

We shall leave school at 9:00am and return by 5:30pm. Please arrange for your daughter to be collected. Thank you for your co-operation.

Yours sincerely

M Hart (Mrs)
Head of Geography

YEAR 10 HYDROLOGY DAY – WEDNESDAY 24th SEPTEMBER 2008

Please enclose this slip in a sealed envelope with your daughter's name and form on the outside, including details of any medical condition suffered by your daughter and a daytime contact number. Please return it to your daughter's Form or Geography teacher with either cash or cheque (made payable to MTGS) to the value of £9.00 by Wednesday 17th September..

Daughter's Name Form

Any medical condition of which we should be aware:

.....

Medication to be taken:

I agree to my daughter participating in the Geography Hydrology Day. I agree to equip my daughter appropriately and to allow staff to act 'in loco parentis' should the situation arise.
