

September 2010

Dear Parents/Guardians

Joint Careers Fair 5th October at MTBS

A joint Careers Fair is to be held on **Tuesday 5th October**, from 5.30pm-8pm in the Williams Hall at the Boys' School. This event is open to all members of Year 11 and Lower Sixth, and parents/guardians are most welcome to attend.

Your son will have to make some important decisions regarding his future over the coming months and it is vital that he is as fully informed as possible. There will be representatives from a wide variety of career paths as well as admission tutors from a number of universities, such as Cambridge University, University of Manchester, Durham University & University of Leeds and many more.

There will be a number of seminar talks that your son will also have the option of attending including careers in Law, Medicine, Engineering, Journalism, & Marketing to name but a few.

In addition there will be a number of exhibitors that will be happy to talk to you from other careers such as Armed Forces, Sport and Music etc. A programme will be available on the school internet shortly.

Prior to the event, I will be giving the boys some guidance on how to approach the evening and discuss expectations of this format.

As the event will be starting at 5.30pm your son is more than welcome to stay after school to receive an evening meal. Please indicate on the slip below if you would like him to stay at school for an evening meal?

We do hope you will take advantage of this excellent opportunity.

Yours sincerely,

Miss Burke
Head of Careers
