Dear Parents,

After the huge success of the school's first trip to China in October 2016, I propose to organise the second trip to China during **October Half Term Holidays in 2018**. This amazing opportunity will allow the students to extend their learning by practising their language skills, exploring some of the world's most fascinating historical attractions and experiencing a completely different culture.

I plan to take the students to three major cities: **Beijing, Shanghai and Xi'An** to taste some of the most amazing ancient cultural relicts such as the Great Wall of China, The Forbidden City and Terra Cotta Army. They would also witness the dazzling urban transformation and spend time with the staff and students in our partnership school in Shanghai to taste the student life in China!

**ALL** girls in current **Year 9 and Year 10** are welcome. The proposed trip will last for **TEN** days **excluding** the travelling time. The cost is estimated to be approximately £1600 per person quoting at a minimum of 30 students. The quote already *includes return flights, all meals, accommodation and transportation in China*. I trust the price is highly competitive for the its value though it has inevitably gone up merely due to the exchange rate. If, however, there is inadequate number registered for the trip at first instance, the trip would be postponed to October 2019.

If the description of the trip is of any interest to you and your daughter, please fill in the reply slip and return to your daughter's form tutor **no later than Wednesday 22<sup>nd</sup> November**. Meanwhile, please do not hesitate to contact me if you have any questions or wish to have more information.

I really look forward to hearing from you.

Yours sincerely

Mrs Y Blagbrough  
Teacher of Mandarin Chinese and EAL
