- **REMINDER FOR PARENTS – School Site Security** – All buildings are fitted with security entry coded systems to the main doors to gain access. In view of this, during the school working day, **we ask all parents/visitors to the school to report to the Main Reception area by the main gate on your arrival to obtain a visitors badge. You will then be directed to the Junior School Office and the receptionist will ring ahead to announce your arrival so a member of staff can let you into the building.** Please do not access the Junior School via the pupil entrance off the Parade Ground. This system is to be used for all occasions – appointments, collecting boys early, dropping off kit/homework etc. If you have not obtained a visitors badge you will be asked to return to the main reception. Arrangements for dropping off at the start of the school day and collecting at the end of the day remain unchanged. Thank you in advance for your continued co-operation
