	10.00am – 11.00am	Group 3 & 4
	10.00am – 11.30am	Squad

The MTSL follows the ASA teaching framework which is an aquatic journey from a complete beginner to a competitive swimmer.

Stage 1 is beginner where your child will learn to build their water confidence and develop floating skills.

Stage 2 is taking the plunge working on your first strokes.

Stage 3 and 4: Developing all 4 strokes and kicks with push and glides.

Stage 5: Coordinating of all the strokes and breathing techniques.

Stage 6: Developing your technique on all 4 strokes into a fluid action over distance.

Stage 7 and 8 we will work on developing your strokes with the corresponding competitive turns.

Please note the club is closed each Easter weekend and August. It continues throughout other school holiday times.
