May 2018

Dear Parents

### **Re: UCAS Merseyside Higher Education Convention 2018**

As part of our Lower Sixth 'Thinking about your future' programme, your daughter will be attending the UCAS Higher Education Convention which is being held **at Liverpool University on Wednesday 13<sup>th</sup> June** between **9.30am – 2.00pm**. On the day before the Convention, your daughter will be given a programme for the event, her ticket and a map showing where students will be registered. The event consists of two parts:

- a) A 'marketplace' where representatives from over 150 universities and colleges will be available for students to ask questions, obtain copies of prospectuses or, by using the unique barcode on their tickets, request further information from particular exhibitors.
- b) A series of presentations on a wide range of subjects studied in higher education, including Geography, Law, Medicine, History, Midwifery, Engineering and much more. These talks are organised on a **first come, first served basis**. Therefore, I would advise students to attend at least two presentations first, and then visit the 'marketplace' later, when it will be much quieter.

There will be students attending this convention from across Merseyside and, as well as being an enjoyable and informative day, it will also make students aware of the competition for places on competitive courses!

Students will be registered by Mr Lawell and Mrs Syms at the beginning of the day and staff will stay at the convention should students need any advice or support. Our registration point will be as follows:

**Place: Victoria Gallery and Museum (across the road from University Square)**

**Time: 9.00am prompt**

Students must attend at least two presentations and the 'marketplace' and are free to make their own way home at the end of the day. There are a wide range of cafes and shops in the area for students to obtain lunch.

I would be most grateful if you would sign the reply slip below and ask your daughter to return this to school. If you need any further information, please do not hesitate to contact me.

Yours sincerely

Mr F Lawell  
Assistant Headteacher KS5
