Dear Parents,

### **Re: Year 10 Active Adventures Day**

On Friday 6<sup>th</sup> July we are planning to take Year 10 on an Active Adventures Day as part of their Alternative Timetable Week at the end of term.

The day will be spent at the Rock and River Outdoor Pursuits Centre near Mawdsley where the girls will have the opportunity to take part in a number of exciting and challenging activities that will test their initiative and teamwork. The focus will be on team cohesion and bonding whilst moving around a carousel of activities which will include:

**High Ropes**

**Raft Building**

**Orienteering**

**and Initiative Challenges**

If you would like to find out more details on each of these activities please follow the link below to access the Rock and River Outdoor Pursuits Centre site.

[www.rockandriver.co.uk](http://www.rockandriver.co.uk)

All activities will be led by qualified Rock and River Outdoor Pursuits staff and each group will have a member of MTGS staff accompanying them on each activity.

Your daughter will need to wear her school P.E kit including track pants and hoodie. She will also need to bring an older pair of leggings/track pants that she does not mind getting wet or muddy and a suitable T-shirt and sweat top that she is equally unconcerned about getting wet or muddy. If it is a sunny day it may be possible to wear her cycle shorts or leggings but the school track pants must be the top layer whilst travelling. In case of rain, please ensure that your daughter also has a waterproof jacket with her.

If she prefers to wear hiking boots instead of school trainers then that is acceptable but please do not allow her to come in light weight pumps without proper grips or support for her feet. Old trainers may also be useful for any water-based activities.
