SCHOOLS**

For Boys and Girls
aged 4 to 18 years

September 2018

Dear Parents

To build upon our students' examination success at GCSE level, we have developed a successful target setting process in the Sixth Form. Our aim is to raise students' aspirations and achievements so that they can fulfil their academic potential.

Using this system, we will be able to monitor effectively each student's progress and offer a range of enrichment programmes and mentoring support. We will also be able to keep you regularly informed about your daughter's progress over the next two years.

To begin the target setting process, your daughter has produced her calculated and aspirational grades. The next stage in the process is the introduction of A level target grades. Our target setting methodology uses students' prior attainment in GCSE examinations to calculate targets at the appropriate level. The target grades given are based on the achievements of students with similar prior achievement profiles.

In order for us to work together successfully in supporting your daughter, we think it is of the utmost importance that you attend the Lower Sixth Information Evening on **Monday 17th September** from **5.15pm until 6.30pm** in the Centenary Hall. The evening will give you the opportunity to hear about the target setting process and the careers programme in the Sixth Form. You will also be able to join staff informally for refreshments.

Yours sincerely

Mrs C Tao
Headmistress

Mr F Lawell
Assistant Head Teacher Key Stage 5
