SCHOOLS**

For Boys and Girls  
aged 4 to 18 years

17<sup>th</sup> September 2019

Dear Parent(s)/Guardian(s),

I hope you and your families had a restful Summer break, and that your sons are ready to enter a very important year in their lives. We had an extremely successful set of GCSE grades this year and anticipate next year's to be equally as good. It is important that you keep reiterating the need for your sons to fully commit to their academics this year, taking full advantage of all that is offered to them here at school.

In a bid to enhance their study skill technique, we employed a company called Elevate Education to come in at the end of term last year to deliver a session on effective revision skills and how to utilise their time effectively. Feedback from the students was positive and I am happy to report that they will be returning twice more this academic year in order to assist and guide in the build up towards the GCSE examinations. We have also booked a session for parents to attend. This is free of charge and will occur on **Thursday 3<sup>rd</sup> October** from **6pm – 7pm** in the **Williams Hall**. Elevate are an excellent company, who deliver interesting and thought-provoking sessions to students all around the world. The parents' session will offer advice and tips to assist your sons in the build up to their examinations. I do hope that you are able to attend.

As always, if you have any issues you wish to discuss, please feel free to email me on [r.yates@merchanttaylor.com](mailto:r.yates@merchanttaylor.com). I look forward to seeing you on the 3<sup>rd</sup> October.

Yours faithfully,

Mr R Yates  
Head of Middle School
