

## **Chemistry Technician**

### **Senior Boys' School**

We are seeking to appoint a knowledgeable and enthusiastic Chemistry Technician to provide specialist technical support to teaching staff within the designated work area and to ensure the safe and proper use and maintenance of resources and equipment.

As part of the role, you will prepare apparatus and solutions for lessons as requested for the Chemistry staff lessons via requisitions, in advance of lessons, checking that all apparatus is clean and in good working order as it is prepared.

This is an opportunity to join a strong, academic Department; Chemistry is a core subject up to GCSE and a popular Sixth Form option. Previous experience of working as a Technician would be ideal. This position is term time, plus 5 weeks. (40 working weeks per year)

Applicants should have an A 'Level in Chemistry and ideally have a Chemistry related degree.

The Chemistry Department consists of 4 full-time members of the teaching staff and is situated in 4 laboratories. The Chemistry technician is a key member of the team who helps the teachers deliver inspirational lessons which prompt curiosity in the students
