Headmaster: Mr D. Wickes, MA (Oxon)

10 November 2019

Dear parents and guardians,

Following the Sixth Form Open Evening, the A Level subject options form is now open. Information is provided on the form that I hope is useful when you are discussing courses with your son, including prompts for questions that you should consider when making selections. This guidance is intended to complement the information that is available in the Sixth Form prospectus.

The A Level subject options form can be found here: <https://mtbs.fireflycloud.net/options/a-level-option-choices-2019-20>

Please would you complete the form by **Monday 25 November 2019**.

Mrs Vicki Mee, Head of Careers, can provide advice on required and recommended A Levels for university course admission. Heads of Department are available to answer any subject-specific questions you might have; please do contact them. Similarly, if you have any general queries about the subject selection process or about A Level study generally, please do not hesitate to get in touch; I would be delighted to talk with you.

With warm wishes,

J. M. G. Andrews

Deputy Head Academic
