

## Senior ICT Technician

**Salary range £17,244 to £23,868**

We are seeking a service orientated Senior ICT Technician to support the operation of the School's IT infrastructure and with responsibility for supporting a wide range of hardware and software solutions in the teaching and learning environments. Duties include planning and assisting with projects, providing a customer service focused IT support and training to staff and students. You will be responsible for ensuring the ICT Helpdesk is fully utilised to track and plan jobs and to effectively manage projects.

You should have experience of supporting a large PC infrastructure and have or be working towards a Microsoft certification or equivalent. You should be skilled at diagnosis and fault finding and of course have excellent PC knowledge including Windows 7, 10, PC and server hardware, Microsoft Office (including 365) and other business applications.

This role will require you to work a minimum of 37 hours a week Monday to Thursday 8.30-4.30 and Friday 8.30am - 4.00pm.
