### Section 7: Declaration

This declaration should be signed by the student named on the application form and her parent[s]/carer[s].

We declare that the information provided on this application form is accurate and we believe that we fulfil the eligibility criteria for this Bursary [see criteria above].

We understand that this is a means-tested Bursary and a home visit by a third party company working on behalf of the School will be arranged in due course. We also understand that applying for this competitive Bursary does not guarantee an offer.
