**MERCHANT
TAYLORS'
SCHOOLS**

For Boys and Girls
aged 4 to 18 years

January 2019

Dear Parent(s)/Guardian(s),

As part of the A Level Biology course, students are required to study animal behaviour and courtship. In order to give the boys a more practical application of the ideas being presented to them, we take them to Chester Zoo to analyse the behaviours of the primate group housed there.

The date for this trip is **Monday 28th January** and the cost is **£15**. The boys will be back in time for school buses home so no alternative transport arrangements will need to be made.

If you give permission for your son to attend, please contact the bursar department **0151 928 3308** to make your payment by card. Could you please reference Chester Zoo.

Regards,

Miss J Whitehead
Head of Biology
