

FREE ARCHITECTURE AND DESIGN COURSE

Aged 14 - 18? Interested in how buildings are planned,
designed and created?

Sign up for our FREE workshops this Easter, 15th - 18th April!

We are working with Lister Steps to explore the importance of heritage and how we can reuse old buildings. These fun, hands on workshops will give you the opportunity to learn about how cities are designed and planned, and to develop new skills through a range of activities including model making and drawing.

It's also a great way to meet new people and a fantastic experience to add to your CV and university applications, helping you to stand out.

The workshops will be led by people who work or are studying in the built environment, so a great chance to find out what it's really like.

You don't need any experience or special skills to get involved.

HOW TO APPLY:

Visit our website - placed.org.uk/apply-for-short-programmes/
or email info@placed.org.uk

PLACES STRICTLY LIMITED SO APPLY QUICK!
