Dear Parent(s)/Guardian(s)

We would like to invite you to attend a presentation on apprenticeships. The session will be delivered at 4.30pm – 5.30pm on Monday 11<sup>th</sup> March in the Library at Merchant Taylors' Boys' School.

Apprenticeships are among the oldest qualifications in the world – but they have been getting a 21st-century makeover. Instead of mostly being targeted at young people learning a trade, apprenticeships are being seen by some, as the best way of training people of all ages to learn skills across a huge range of professions.

Perhaps the most significant change is the increasing number of degree apprenticeships available, which enable students to earn money while in higher education.

The presentation will focus on what the new apprenticeships are, details of the different levels available, how they compare to university and where you can find out more.

If you wish to attend please complete the attached reply slip and return by **Wednesday 6<sup>th</sup> March**.

Yours sincerely

Mrs V Mee  
Head of Careers
