For Boys and Girls
aged 4 to 18 years

1st March 2019

Dear Parent(s)/Guardian(s)

Over the last few weeks I have had many conversations with parents around their views and concerns with regard to the swimming pool. I felt it was important that you know that the School is fully committed to ensuring it has a swimming pool within its estate.

We are in the process of finalising our plans in order to try to provide some swimming provision using external facilities during the period of closure of the current pool. This has taken a little longer than we expected due to the need to establish formalised agreements with the providers. I will be able to provide a detailed update on this early next week. It is our intention to ensure that our children are able to continue to swim.

Next week a Governor meeting is taking place with the primary purpose to continue the planning process of the building of a new modern pool for the Merchant Taylors' community. You will appreciate that this is the start of the detailed planning work and, in due course, we will be keen to gather your feedback on the plans.

Regards

Lynn Hill

Director of Finance and Operations
