Dear Parent(s)/Guardian(s),

RE: Rabies Vaccination for Operation Wallacea Trip to Malawi

We have managed to secure the services of Formby Health Rooms to administer the rabies vaccination while your son is in school. The first two vaccinations need to be a week apart and the last vaccination must be within a month of the first vaccination.

The dates we are proposing are as follows:

1st Injection-Wednesday 20th March at 12.40 pm (lunch time)

2nd Injection-Wednesday 27th March at 12.40 pm (lunch time)

3rd Injection-Wednesday 17th April at 12.40 pm (lunch time)

The cost of each vaccination is £60 (total cost £180). You will also need to complete a form (to follow this letter) and your son will have to bring it with him to his first vaccination. You can pay for each injection separately (either with cash or cheque made payable to Formby Health Rooms) at the time of the injection or in advance for all three vaccinations.

Yours sincerely,

Mr G Bonfante
