For Boys and Girls
aged 4 to 18 years

1st March 2019

Dear Parent(s)/Guardian(s),

In keeping with our commitment to provide students with outstanding Careers guidance and tailored support when choosing their next step after school, Year 11 will be using Unifrog, an award-winning, online Careers platform. All boys will have access to this excellent website.

Unifrog brings into one place every undergraduate university course, apprenticeship, and college course in the UK, as well as other opportunities, such as School Leaver Programmes, MOOCs and every college at Oxford and Cambridge. This makes it easy for students to compare and choose the best university courses, apprenticeships or further education courses for them.

Additionally, the platform helps students successfully apply for these opportunities by supporting their personal statement, applications and CVs and guiding them through the process.

Students access the tool for the first time using a sign-up code which is unique to their form group. They then login using their email address and password and they can do so from any computer, tablet or smartphone. We would encourage you to use the platform with your son so that you can encourage him through the process of deciding his next step.

We have also set up a parent login so that you can use Unifrog as if you were a student yourself, allowing you to support your son. The form code you need is: parentsmtbs and you can sign up here: www.unifrog.org/code

If you need any further information, please email v.mee@merchanttaylor.com

Yours sincerely,

Mrs V Mee
Head of Careers and UCAS
