June 2019

Dear Parent(s)/Guardian(s),

Fieldwork at Aberystwyth – Monday 17th June-Wednesday 19th June 2019

The party will depart by minibus at **8.30 a.m.** on Monday 17th June outside the Biology labs in the car park at Merchant Taylors Boys School. We will return to Liverpool around 4.00 p.m. on Wednesday 19th June.

We have booked into the halls of residence at the University of Aberystwyth, Penglais, Aberystwyth SY23 3BY. The switchboard number is 01970 623111 and may be used in the event of an emergency.

The university has been sent the details regarding any dietary requirements for your son that you have provided to me on the consent form. The first meal **will not** be provided until 5.30 p.m. on Monday 17th June. *Your son will require a pack lunch for the journey down to Aberystwyth on that day.*

I enclose a kit list for suggested clothing and other items thought to be necessary for fieldwork (bearing in mind the weather may be hot or wet). I would advise pupils against bringing expensive items, or carrying large quantities of cash since we can not guarantee the security of such items or indeed mobile phones.

Please contact me if you have any concerns about these arrangements or would like further information about the trip. Could I also ask that if payment and consent forms have not been returned that they are by the end of this week. If your son has not told me that he is unable to attend therefore he is obliged to as part of his Biology Course.

Yours sincerely,

Miss Jessica Whitehead
Head of Biology

Kit List for Field Trip

- Writing equipment (and calculator)
- Waterproof jacket/coat
- Waterproof trousers /jeans (prepared to get wet)
- Change of clothes for 3 days
- Either trainers (prepared to get wet)/walking boots or Wellington boots
- Sun cream/hat/shades
- Toiletries/glasses/contact lenses/solutions
- Any creams and medications you need to take

Be prepared for wet/cold and dry/hot days. It will be windy!
