Dear Parent(s)/Guardian(s)

We would like to invite you to attend a presentation by FirstPoint USA, who are visiting school to deliver an information workshop on Wednesday 25th September at 4.30pm in the Library at Merchant Taylors' Boys' School.

The workshop will focus on US sports scholarships and the US university admissions process. It will provide a detailed insight into the US collegiate sporting system and the vast array of opportunities available to young sports men and women.

FirstPoint USA is the largest international US sports scholarship agency, having successfully placed over 8,000 student-athletes at suitable universities since 2001. They are mandated by over 2,500 universities and colleges to extend the reach of their respective athletics departments, and to recruit talented young people on their behalf.

If you wish to attend please complete the attached reply slip and return by Monday 23rd September, alternatively you can email v.mee@merchanttaylors.com to confirm your attendance.

Yours sincerely
