Dear Parent(s)/Guardian(s),

Re: Measles, Chickenpox

Please may we ask for your cooperation in a vitally important matter? One of our pupils is receiving medical treatment. This puts him at serious risk if exposed to measles or chickenpox. If your child is suspected of having either you should let the School Nurse (Anne Dalton) know immediately. Her email address is a.dalton@merchanttaylor.com.

Your child is at no risk whatsoever from this situation. However, the health and wellbeing of the pupil who is receiving the medical treatment depends on the cooperation of all parents and we hope that you can help us to ensure this.

Thank you in advance.

Yours sincerely,

Mr D Wickes
Headmaster
