Dear Parents and Guardians

### **Entrance Examination Day Monday 11<sup>th</sup> November 2019**

The School's annual entrance examination has been brought forward and will take place on Monday 11 November this year. Unlike in previous years the boys will be engaged in a variety of activities on the day. School buses will run as normal. Departments will provide further details but the activities which we are running are:

**Year 7:** Geography trip to Liverpool

**Year 8:** PSHE day in School

**Year 9:** Chemistry trip to the Catalyst Museum in Widnes

**Year 10:** Enterprise Day in School

**CCF:** A group of cadets will be going to Altcar for a range day.

**Year 11 to 13:** are not required in School but can use the day for their private studies. However, there will be an opportunity for boys who are taking Art, Design, Music and Computer Science to work on their coursework with members of staff from those departments. With the Upper Sixth there will also be an opportunity to work on their UCAS application. We would like a number of Sixth Form to act as helpers and guides for all or part of the day and would welcome their input and support on what is a very important day for the school community.

### **Forward Planning**

As the Schools prepare to mark our 400th Anniversary next year I would like to publicise some dates of events taking place next summer. As part of our celebrations which are running over the course of the year we will have a large marquee on site to host a number of events. With this facility on site we will be bringing forward the November 2020 Speech Day event to the end of Summer Term 2020. We hope that you will be able to join us at these events:

**Year 11,12 & 13 Speech Day: Tuesday 30 June 7-9pm** for prizewinners and their parents.

**Year 7, 8, 9 & 10 Speech Day: Friday 3 July 1.30-3.30pm** for all students and parents.

Yours sincerely
