February 2020

Dear Parent/Guardian

The Science Department would like to give the whole of Year 8 the opportunity to attend 'The Big Bang North West' later in the year.

The Big Bang North West is the biggest STEM celebration in the region. Organised by All About STEM and sponsored by Unilever as part of the Engineering UK programme, the Big Bang events enable young people to discover the exhilarating and rewarding careers in Science, Technology, Engineering and Maths via fun, hands-on experiences.

Amazing interactive stands, shows and exhibits will allow your daughter to take her learning outside of the classroom and experience a whole host of new science and technology based activities, whilst learning about the range of careers available in these areas.

The event takes place on Tuesday 7th July between 12:30 and 15:00. The cost of this event is £4.00 per pupil and this will be added to the Summer Term school fees.

Please complete the reply slip below and return to the form tutor at your earliest convenience.

Yours sincerely

J Lynch
Second in Science
