

Dear, Helen

Hi, Helen hope you are well.  
What a funny time it is at the moment. I have not been to school since Friday 20<sup>th</sup> March and have since been doing work from home set by my teachers who ~~of~~ I am missing very much.

I am trying to keep in contact with my friends but it is not the same as playing in the playground with them, we have been playing Xbox games together, so at least we can do that - what have you been doing? keep busy? Do you miss your friends too?

I heard you mowing your grass yesterday, I will come out next time and wave to you over the fence.

Here's a joke to cheer you up:

What did you learn in school today?  
Not enough, I have to go back tomorrow!

Know the coronavirus is scary I am so scared too, we are here next door whenever you need us, don't give up, hang in there.

Miss you

Love from  
William xx
