"Our son has absolutely flourished in his first year at Merchants. Having joined from a village primary school, the wealth of new experiences offered, both academically and through the sporting activities, has seen his confidence shoot through the roof."

"Our son has thoroughly enjoyed his time in Lower School. He's been nurtured and encouraged by kind and supportive staff and is now ready for the next step."

"My son has thrived in his first year at MTBS and has loved the entire experience."

"Both our sons have successively loved every minute of their lower school life, and we could not be more delighted with the care and devotion given by all teachers."

"The boys are given a huge amount of support to help them to settle into life at Merchants."

"Rock and River made such a difference to how my son settled. I noticeably saw his confidence change and we started to hear him talk about the new friends he had made."

"When our son visited MTBS for the first time he described it as 'warmer' than anywhere else he had visited, and we are delighted to have found that to be true."

"My son regularly comes home buzzing about his day after having the opportunity to hear an inspirational speaker, or after having competed in house sport or just after having enjoyed interesting stimulating lessons."
