

28 July 2020

Dear parents and guardians,

As you will be aware, GCSE results are published this year on Thursday 20 August. This letter sets out the procedure for how this day will run, as well as offering some information on how grades have been calculated in the absence of examinations, and the relevant appeals process.

With the cancellation of this summer's examinations, schools were asked to submit centre assessment grades and a rank order, to the relevant awarding body, for each GCSE subject cohort. At Merchants, we undertook this process thoroughly, utilising all the pertinent assessment evidence gathered throughout Year 10 and 11, and drawing on the experience and expertise of departments' teaching teams. Following departments' work in generating these grades and ranks, an internal standardisation was carried out by a team of senior staff. The grades and ranks submitted to the awarding bodies were thus very much 'centre' assessment grades as they had been generated and ratified by the collective work of the school rather than any one individual. An external standardisation process will be carried out by the awarding body of a qualification and the results following this will be the grades published on 20 August 2020. You may find the information below, from Ofqual, to be helpful in explaining the full process for grading in summer 2020:

As the school must follow the DfE covid guidelines on access to the site, arrangements for Results' Day will be slightly different this year. It is not possible to bring all boys onto site at the same time. We do, however, want to provide the boys with the opportunity to come into school to collect their results, if they wish to. In the first instance, **all exam results will be emailed to the boys (via school email) at 8am on 20 August**. If boys wish to come to school to collect their results, they should do so in line with the form group timings below:

8.30am – 9.00am: 11B (Mrs Byrne) – surnames: Al - Ha
9.00am – 9.30am: 11B (Mrs Byrne) – surnames: Ke - Wa

Boys should be dropped off, using the car park one-way system, at the top of the main drive. They should enter the building by the Clock Tower door, sign in and sanitise, then proceed to the Williams Hall to collect their results. Regrettably, we cannot invite families onto the campus without appointment so parents should remain in their cars please.

Should parents wish to book a face to face appointment to discuss the outcomes of Results' Day, please contact Mrs Carr (Headmaster's PA) on d.carr@merchanttaylorsschools.com or 0151 949 9327. There will be a limited number of appointments on Results' Day itself; these will be reserved for those with the most urgent need. For example, where a boy's results put his entry into the Sixth Form in jeopardy. All remaining appointments will be arranged for the days immediately following Results' Day.

Full information about the process for publishing results, making appeals, requesting centre assessment grading information and entering the autumn series of examinations can be found in the MTBS policy detailed here:

If you have any questions or queries, then please do not hesitate to contact me. Whilst we have had to amend arrangements for the publishing of results this year, please rest assured the usual extensive support remains available – just in a slightly different form due to the circumstances.

With best wishes,
