Ambition | Character | Excellence

15<sup>th</sup> September 2020

Dear Parents / Guardians

Thank you for your co-operation to support the safe dropping off and collecting of children at the main Stanfield site.

We are continuing to work with the police and parents to review and improve the system and I ask that you act responsibly to protect yourselves and others in minimising the risk of spread of COVID-19.

From Wednesday 16<sup>th</sup> September, at morning drop off, if you have dropped off one child and are waiting to drop a sibling at a later slot, please send the sibling through the centre pedestrian gate and they will be guided straight into school. This will then avoid any need for parents to be waiting on the pavement. If you can arrive during the 5 minute slot for your earliest drop off, this will alleviate any gatherings.

We are constantly reviewing the system and we have taken on board the comments parents have made to us. Our priority continues to be the safety of our pupils and the ability for the year groups to maintain social distancing once on school premises as per the Government Guidance for Education. The police will continue to monitor and we will continue to adapt practice.

Again, thank you for your support as we adjust to a new way of working.

Yours sincerely

Miss E Lynan  
Headmistress
