September 2020

Dear Parent/Guardian

During her first week at MTGS, your daughter will have a taster lesson in French, Spanish, German and Mandarin Chinese. This is to allow her to experience a little of each language before she decides which two she would like to study during her time at the School.

She will study either French **OR** Spanish AND either German **OR** Mandarin Chinese.

It is not currently possible for her to start a different language later on in her school career and so this decision is an important one. I would very much appreciate your support in helping your daughter choose the languages that you feel will be most beneficial and enjoyable to her over the coming years. We will endeavour to allocate each girl their preferred languages but please be aware that this may not always be possible.

Please will you complete the attached option form and return it to your daughter's form tutor no later than Friday 11th September 2020.

Yours sincerely

Miss C Wilson
Head of Modern Foreign Languages
