Assessment and Recording Policy

1. Rationale

Marking is the principal means of feeding back to pupils about their progress. It is therefore a central aspect of the learning process. We recognise that the depth and frequency of marking may vary across subjects, so the marking policy offers a broad framework within which each department will operate its own bespoke marking arrangements, reflecting the broad principles of the School's marking policy. These principles are:

- The marking expectations on staff must be manageable.
- Feedback from marking must be meaningful to pupils in terms of explaining next steps.
- Marking should motivate pupils by rewarding achievement and encouraging them to want to improve.

2. Aims of Marking

- To show pupils that their work is valued.
- To recognise achievement, presentation and effort.
- To indicate how pupils can improve and extend skills.
- To enable staff to plan future work appropriately.
- To share expectations.
- To encourage pupils to reflect on their performance.
- To promote a consistent approach to marking and feedback throughout all Key Stages.

3. Requirements

3.1. Years 7-9

- Marking must be based on departmental skills/levels grids which are stuck into exercise books and signed off by staff.
- Merits should be issued for excellent quality of work and/or very high effort. These should be recorded on 3Sys.
- Work should be collected in for marking regularly. *
- No more than two pieces of written work should accumulate before marking takes place.
- Any work which, through clear lack of effort, fails to meet a minimum standard should be repeated and re-marked. Girls' academic targets should be considered when making this judgement.
- Work should be marked for literacy using common symbols.
- Self-assessed or peer assessed work should also be checked by the teacher.

3.2. Years 10 and 11

- Marking is to be based on GCSE assessment criteria which is made known to the pupils.
- Marks should be given in line with assessment criteria.
- Merits should be issued for excellent quality of work and/or very high effort. These should be recorded on 3Sys.

- Work should be collected in regularly. *
- Work should be marked and feedback given before further work is set.
- Any work which, through clear lack of effort, fails to meet a minimum standard should be repeated and re-marked. Pupils' academic targets should be considered when making this judgement.
- Work should be marked for literacy using common symbols.

3.3. Sixth Form

- Marking is to be based on A level assessment criteria which must be made known to the pupils.
- Marks should be given in line with assessment criteria.
- Merits should be issued for excellent quality of work and/or very high effort. These should be recorded on 3Sys.
- Work should be collected in regularly. *
- Work should be marked and feedback given before further work is set.
- Any work which, through clear lack of effort, fails to meet a minimum standard should be repeated and re-marked. Pupils' academic targets should be considered when making this judgement.
- Work should be marked for literacy using common symbols.

4. Responsibilities

- HoDs are responsible for writing and implementing departmental marking policies.
- Each department will hold at least one work scrutiny meeting in each academic year to share good marking practice.
- SMT will sample work from each key stage once a year. This will be done by the Director of Studies and members of the SMT, together with an invited HoD.
- Heads of Year and Form Tutors should ensure that time allotted in the Year Plan is used for Academic Reviews; allowing students to self-reflect on progress summarised in reports and grade cards.

5. During remote learning:

- As a guide, in any 3 lessons with a class there should be a theory lesson, a catch-up/task-centred lesson and a consolidation/assessment lesson (where assessment can take the form of a quiz, verbal questions, self-marking test or more rigorous test.)
- One piece of homework in every 3 lessons should be given substantial feedback
- HOD are expected to monitor standard of remote lessons by being added as a co-owner of some tasks on Firefly and observing lessons/parts of lessons remotely.
