1. OBJECTIVE

This Code of Practice has been developed to provide information on strategic and operational arrangements for the management and control of health, safety and associated environment matters relating to the activities of the Schools'. This should be read in conjunction with the Schools' Health and Safety Policy Statement, signed by the Chair of Governors, which may be found on the Schools intranet site.

2. MERCHANT TAYLORS' SCHOOLS' HEALTH AND SAFETY STRATEGY

Merchant Taylors' Schools Health and Safety Strategy outlines the long term focus and aims of the Schools in regard to health and safety, and sets out its commitment to achieving them.

3. ANNUAL HEALTH AND SAFETY ACTION PLAN

The Annual Health and Safety Action Plan outline how the focus and aims of the Schools' Health and Safety Strategy are going to be delivered.

4. ANNUAL HEALTH AND SAFETY REPORTS AND INFORMATION TO THE STRATEGIC MANAGEMENT TEAM (SMT) AND BOARD OF GOVERNORS

Annual Health and Safety Reports are prepared and presented to the Executive Management Team (EMT) and to the Board of Governors.

Minutes of meetings of the Schools' Health and Safety Committee are distributed to the EMT and to the Board of Governors. In this way information about success and feedback is passed from the local level to the institutional level and on to the governing body. Minutes of meetings of the Schools' Health and Safety Committee may be found on the Schools intranet site.

5. RISK MANAGEMENT

The components of the Schools risk management framework support a sound system of internal control, contribute to effective corporate governance and assist in satisfying risk reporting requirements. The Schools Risk and Business Continuity Management Policy and Risk Management strategy are available. The Schools arrangements for incident management form part of its framework for Business Continuity Management.

In the Schools, where teaching is assumed to be a dynamic processes, risk assessments will display these features too. Risk assessment will be a developing and fixed element of management activities throughout the institution. Details are contained in SCP02 Risk Assessment.

Performance standard setting will be driven by the risk management process.

6. HMANAGEMENT AND SAFETY CODES OF PRACTICE

Management and Safety Codes of Practice, each of which have been formally approved by the Schools Health and Safety Committee are located on the Schools' intranet site.

The standards laid down in the Codes of Practice are to be regarded as minimum standards. Procedures or equipment which fail to meet those outlined will be taken out of use or the activity suspended until compliance is achieved.

The Health and Safety Codes of Practice are divided into Management, Safety, Welfare and relevant Environment and Sustainability Codes of Practice. They set out the arrangements for the operation of the Schools' Health and Safety Policy and are routinely reviewed. All Codes of Practice are available on the Schools' intranet site. The following Management and Safety Codes of Practice provide a minimum standards in respect of Health and safety:

9. ACQUISITIONS AND PURCHASES

All purchases or acquisitions of equipment for use at work made by the Schools' are subject to legal requirements and must be designed to satisfy current legislation in force at the time of their being purchased or put into use (e.g. gifts from other organisations), must comply with standards on safety at the time of acquisition by the Schools.

10. ACTIVE AND REACTIVE MONITORING

Arrangements for active and reactive monitoring and reviewing of the effectiveness of the Health and Safety Policy at the various levels of Schools management are contained in the following Codes of Practice:

- Safety Inspections, Audits and Reporting Hazards
- Reporting and Investigation of Adverse Events.

The Schools' health and safety arrangements are subject to audit by the Health and Safety Advisor, the Schools insurers and internal auditors. Reports from the internal auditors are presented to the Board of Governors.

Health and Safety is a standing agenda item at each weekly meeting of EMT and meetings of the Board of Governors.

Health and Safety performance indicator data is provided to EMT on a monthly basis.

11. DEVELOPING LOCAL POLICIES WHERE THE SCHOOLS' POLICY DOES NOT ADDRESS ALL ACTIVITIES OF THE SCHOOL OR DEPARTMENT

Merchant Taylors' Schools' Health and Safety Policy Statement, Codes of Practice and Guidance may not be able to address all the activities of Schools or Departments. Each School or Department which carries out activities outside the scope of the Health and Safety Policy Statement, Codes of Practice and Guidance must develop, publish, keep under review, and issue to all staff such local health and safety guidance and local rules.
