Dear Pupils and Parents,
Welcome to the new school year and a particular big hello to those pupils joining us for the first time. We hope you are able to settle quickly into your new school and a huge part of that is the co-curricular provision we provide.

Every year is the opportunity for a fresh start and a new chance to try something different or continue to work on an already existing talent. We hope you find fun activities to participate in this term.

Please remember that all after-school and paid clubs such as Judo, Chess and Yoga need to be booked through the Evolve system. Certain lunchtime clubs require signing up and these are also available on Evolve.

Yours sincerely,

Mr Joseph O'Shaughnessy
Co-Curricular Coordinator

Booking with Evolve

EVOLVE

If you would like your son or daughter to attend a before/after school club **or** a club that requires payment you will do this through the Evolve system.

Parental Portal -> Stanfield -> Evolve Parental Guide.

A majority of lunchtime clubs do not require you to sign up as staff will organise.

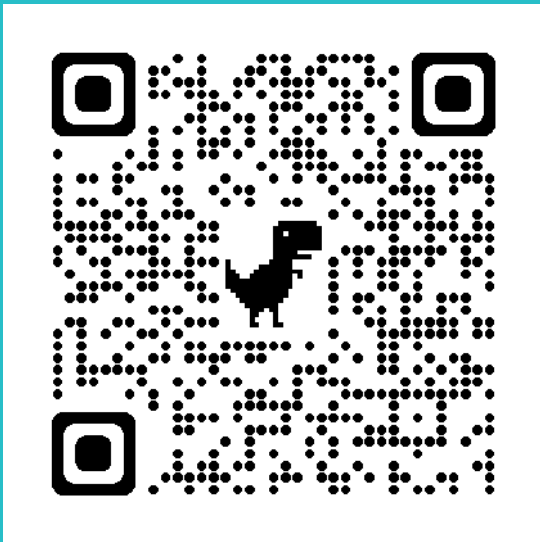

Further Information

Instrumental and Singing Lessons

As a school we offer instrumental and singing lessons which are popular amongst our pupils.

Further information on these lessons and how to book them can be found on Firefly in Parent Portal -> Stanfield -> Instrumental Lessons or use the QR Code below.

This year and Beyond

Where possible we try to avoid clubs clashing so pupils are able to take part in as many activities as they would like each week.

We endeavour to offer different opportunities to all pupils across the entire school year. Pupils are welcome to discuss potential clubs with their teachers and their School Council Representative.

Additional sessions may be put on to help prepare pupils for AJS events, fixtures or annual competitions like Quiz Club.

**THANK
YOU**
