A Level Post-Results Services Information 2026

A Level Results Day

A Level results will be available for collection from school from 8.00am on Thursday 13 August 2026 or via iSAMS at 8:00am.

If you wish for another person to collect your results on your behalf, you must provide written consent prior to results day stating the individual's full name and their relationship to you. Please submit written consent to m.hughes2@merchanttaylors.com

If you wish to request a post-results service, you must complete the appropriate Microsoft Form consent form. The link will be sent to your school email address ahead of results day. Requests can only be requested once results have been issued. You cannot make a request before results day.

The consent form confirms that you understand that, following a clerical re-check, review of marking, or appeal, your marks and grade may **increase, decrease, or remain the same**.

Please note that clerical re-checks and reviews of marking are only available for written examination components and cannot be requested for individual NEA or coursework components.

Requesting a Post-Results Service

Pupils must complete and sign the Microsoft Form consent form for a clerical re-check or review of marking/moderation. As part of the form, pupils must provide a personal email address.

Payment is required before a request can be submitted:

- **On results day:** Payment must be made by card using the card machine available at school.
- **After results day:** Payment must be made using the appropriate Evolve payment link provided by email on the lead-up to results day and on the consent form.

There are separate Evolve payment links—one for GCSE and one for A Level. Please ensure you use the correct payment link for your qualification.

Once the completed consent form and payment have been received, the request will be submitted to the relevant examination board. Requests cannot be processed without both a fully completed consent form and payment.

Please allow up to three working days for your request to be submitted.

When completing the consent form, please ensure you include:

- Subject name
- Individual paper/component code(s)
- Candidate number
- Centre number
- Centre name

Requests will not be processed if:

- No consent form is submitted
- Information on the form is incomplete

The Access to Scripts consent form can be accessed via the links sent to your school email.

Access to scripts service is £5 per exam paper. Payment is to be made on results day via card or for request after results day, please pay via the evolve link on the consent form / school email.
