

Year 13 GCE Examination Information

This page provides information about the examination boards, qualification specifications and key examination dates for Year 13 pupils sitting examinations in Summer 2027

Important Information

- Pupils should ensure they know which examination board and specification they are studying.
- Examination dates shown are the main written examination dates currently available.
- Pupils must remain available until the end of the examination series, including the national contingency day.
- Any timetable clashes will be resolved by the Exams Officer and communicated to pupils and parents.

National Contingency Day

Wednesday 23 June 2027

The Joint Council for Qualifications (JCQ) requires all pupils to remain available until the contingency day in the event that examinations need to be rescheduled. Pupils should not make travel arrangements that prevent attendance on this date.
